

## ***The Risk Doctor's Cures for Common Risk Ailments***

*The Risk Doctor's Cures for Common Risk Ailments* offers tried-and-true cures for risk management problems at both the organizational and project levels. Written by noted risk management consultant David Hillson, aka The Risk Doctor, this book gives practical advice based on sound risk management principles and real-life cases. Proper risk management is essential to project and business success but is often misunderstood and inappropriately applied at all levels of the organization. This book makes the basics comprehensible and the application of sound risk management workable.
